

COMPANY PROFILE

Welcome to **Printville!**

Our printing company is a leading provider of high-quality printing services for businesses and individuals alike. With state-of-the-art equipment and a skilled team of professionals, we are dedicated to producing top-notch prints that meet the needs and exceed the expectations of our customers. Whether you need banners, signages, business cards, flyers, brochures, posters, or any other type of printed material, we have the expertise to deliver exceptional results. We pride ourselves on our fast turnaround times, competitive pricing, and personalized service, and we are committed to helping our clients achieve their printing goals.

UV PRINTING TECHNOLOGY

UV printing technology is a cutting-edge printing process that uses ultraviolet light to dry or cure ink as it's printed. This results in vibrant, high-quality prints with superior clarity and detail. UV printing is ideal for a wide range of materials, including paper, plastic, metal, and glass, and is known for its durability and resistance to fading. With UV printing, you can achieve stunning, long-lasting prints that are sure to make an impact.

EXPERIENCED PROFESSIONALS

Although we are a new company, we have a team of experienced professionals who are dedicated to providing exceptional customer service and support that helps brands navigate the printing process and ensure that their printed materials are of the highest quality and delivered on time.

ENVIRONMENTALLY FRIENDLY SOLUTIONS

UV printing is a sustainable printing option that helps to reduce environmental impact while producing high-quality prints. It does not use solvents or emit VOCs, has a lower energy consumption, produces less ink waste, and uses LED UV lights which reduce power consumption.

MISSION & VALUES

Mission Statement: Our mission is to provide exceptional services and products to our clients, helping them achieve their marketing and branding goals through effective printing and signage solutions.

Values: At Printville Limited, we are committed to upholding the highest standards of professionalism, integrity, and accountability. We believe in working collaboratively with our clients to deliver custom solutions that meet their unique needs and exceed their expectations.

COMPANY PROFILE

SERVICES OFFERED

Printville Limited offers and facilitates a comprehensive range of printing and signage solutions, including:

- ✓ **UV wide format printing**
This includes banners, posters, billboards, vinyl, one way vision, amongst many other products.
Durable, fade-resistant printing on a large variety of materials in up-to 126-inch wide large format sizes. Suitable for indoor and outdoor use.
- ✓ **UV printing on any promotional material**
Promotional items such as notebooks, mugs, flasks, acrylic, ABS boards, foam boards, glass etc.
Durable, fade-resistant printing on a large variety of substrates including plastics, metals and glass.
- ✓ **Signage solutions**
2D and 3D signages, pylons, cut out acrylic letters, pole signs and more. Starting with the design process and continuing through fabrication and installation.
- ✓ **Digital and offset printing**
Includes business cards, posters, flyers, brochures, booklets and more.
Digital printing is ideal for small to medium-sized print runs, while offset printing is best suited for large print runs of up to several thousand copies.
- ✓ **DTF printing**
Direct-to-Film (DTF) printing services, which is a new printing technology that allows for high-quality printing on fabrics such as cotton, polyester, and blends. This printing method is ideal for custom apparel, including t-shirts, sweatshirts, and hoodies.
- ✓ **Sublimation printing**
A printing method that uses heat to transfer dye onto a material such as polyester, ceramic, or metal. This method produces vibrant, long-lasting prints that are ideal for custom apparel, mugs, and other promotional items.
- ✓ **Badge printing**
High-quality, custom badges for events, conferences, and other occasions. We can print on a variety of materials, including paper, plastic, and metal, and can include a range of finishes and styles such as gloss, matte, and metallic.

Target – Providing Tailored, Quality and Affordable services to Individuals and Businesses of all sizes.
